

# **Golden Retrievers versus Labradors**

## **Match Day with a Difference – All dogs welcome**

### **Sunday, 3<sup>rd</sup> August 2014**

NZKC Auckland Exhibition Centre (indoors), Clevedon Rd, Ardmore.

Commencing 10:30am with a mini match to select the Golden Retriever Teams to take on the Labs.

The match with Labs commencing at 1pm.

The Golden Retrievers will be battling the Labradors for the Shield, and similarly to last year this will be more than a beauty show. We will start the day at 10:30 to determine the best teams to represent the golden retrievers to win the Shield back. If your dog has a fast or fairly decent recall, likes to retrieve, or has an excellent nose (and what golden doesn't) we need you!

The plan is to have a team of three or more golden retrievers to take on the labs in a relay race (the recall), also another team that will do retrieves – bring along your dog's favourite toy (tennis ball, fluffy duck, etc.), also an event where we hide some food and it's the team with the dogs that can locate the food in the fastest time (think of the customs dogs). We will also hold a short beauty competition, one for the baby puppies (3 months to 6 months), then puppy (6 months to under 12 months) and then adult dog (12 months onwards), then a golden oldie (10 years and over). Finally to cap it off we will have the best all round dog – one that looks good and can also retrieve. For the retrieving event, we may go outside. Once we have picked our teams, there will be a short break for lunch (catering provided at a small cost), and then we will commence the battle of the gundogs at approximately 1 pm. We will also have a super-duper raffle.

**\$5 per dog for all events.**

Please support your club, we would love to see you there. This should be a fun day for the whole family including and particularly your four legged members.

The Golden Retriever Club is hosting this year's match so any details, please contact the club secretary Sue Colvin – 027 686 5578 or email [colvin51@xtra.co.nz](mailto:colvin51@xtra.co.nz)

**Directions:** Clevedon Rd [3km from Papakura] – heading out of Papakura towards Clevedon, the entrance is on your left, and drive in the entrance and keep left, heading towards the large building. This will be held inside the BIG building so no one will get wet. Plenty of carparking. There isn't another show so all those reserved car parks may well be free too.
