DOG WALK - Cornwall Park, Auckland. Meet 9:00am beside Cornwall Park Café (near the band rotunda) for an **"on-leash"** walk around the park. As Cornwall Park can be very busy and as there is live stock in the paddocks, and to ensure the safety of our goldens, we are planning on walking on the grass areas under the trees and will avoid the paddocks where live-stock is and the hot and steep climb up One Tree Hill. **Please note that the dogs will need to be on a lead for this walk.**

Cornwall Park Café (<http://www.cornwallparkeateries.com/cafe>) opens 7:30am for food or coffee before or after the walk.

The walk will proceed wet or fine, and there are drinking fountains around the park if you wish to carry your dog's water disk. The walk can be as short or as long as you want and we will finish up outside the café.
