*A fun day for the whole family...*

Please join us for some fun activities followed by a Pot Luck lunch.

Laurel and John have kindly opened up their home to us and there is plenty of room for parking, setting up gazebos, umbrellas etc as well as several secure paddocks where you can free run your dogs. Please keep your dogs on a lead or confined at other times.

We do suggest you bring umbrellas or gazebos if you have them to provide shade for both yourselves and your furry friends, along with a deck chair or something to sit on.

We will start the day with a fancy dress parade for the dogs, followed by various games, etc. We hope that Santa remembers us and makes an appearance. For those of you bringing kiddies could you please give us some indication of ages please so we can advise Santa.

This will be followed by a delicious potluck lunch sometime after 12:30 and at the completion of the games.

**To ensure we have a variety of food, we are asking people to bring certain items based on the initial of their last name, so**

If your name begins A-F – Dessert items (fruit, mince tarts, strawberries, chocolates, etc)

Names G-N – bring along nibbles (chips, nuts, cheese, crackers, dips, etc)

Names O-Z – salads, coleslaw, beetroot, lettuce, boiled eggs, bread, etc

The club will be providing meat for the BBQ and drinks, plates, etc.

**Venue:** 'The Stables' is located at 350 Brookby Road, Brookby almost exactly opposite Twilight Road. We will have balloons and the GRC banner at the entrance. Drive up the driveway past 'The Stables' and up towards the house. We will have signposts advising where to park which will be in one of the paddocks on your right just before the house. No cell phone cover.

John and Laurel's phone number is: 530 8227 if you get stuck.
