

THE GOLDEN RETRIEVER CLUB INC

Dog Walk

Sunday 13th March 2016

Waiatarua Reserve, Abbotts Way, Ellerslie, Auckland
Dogs can be walked off leash in most areas of this reserve.
Meet at carpark (Grand Ave) at 10:00am for walk to commence shortly after.

There is however a large swamp (bird sanctuary) in the middle of the reserve where dogs are prohibited. This is well sign-posted. There is an easy walking track (gravel) around the reserve which takes about 30-45 minutes to complete the circuit. Please keep dogs on leads while in the car park and while walking past the playground. Please bring plastic bags to clean up after your dogs and place in the doggy loos provided.

*Don't forget to bring plenty of fresh water for your dogs and towels or old sheets in case they get muddy, and a drink for yourself. **We look forward to seeing you there for a fun filled morning for you and your family and dog(s).***

We love to see all the family on these walks and we have also invited our friends from the Lab Club.

Directions: Waiatarua Reserve is off Abbotts Way, which is off Ladies Mile in Ellerslie. Turn off Abbotts Way into Grand Ave and immediately into the parking area. There is also parking on Grand Avenue. The reserve is very popular with other doggie people and off road parking is not always available.
