The Golden Retriever Club Inc (NZ)

I would like to thank The Golden Retriever Club for inviting me to judge your Show. I were very satisfied with the overall standard of your dogs. My winners could compete with good results all over the world. Your breeding are a successful combination of lines from imports from Australia and Europe. I did recognise influence from well-known lines from GB, Scandinavia and other European countries. The mentality of the dogs was very good. Nearly all dogs had strong top lines, good spring of ribs, good bone and nice expression. Some few had a little gay tail. Some few had a little straight angulations in front. Most of the dogs had parallel movement and good steps.

Both Wenche and me look back to our trip to Auckland with a lot of good memories.

Thank you for your hospitality. It was a highlight for us.

Kind regards

Eivind Mjaerum
